

To: Mr. Günther OETTINGER
Commissioner for Energy
European Commission

8 February 2012, Bruxelles

**Subject: Invitation to the “Romanian Energy Center - Opening of Brussels Office” Event,
25 April 2012, Brussels**

Dear Mr. Oettinger,

We have the pleasure to let you know that the **Romanian Energy Center – CRE** has started the activity in Brussels beginning October last year.

Members of this newly created Romanian professional energy association are the main state owned unbundled energy companies, as well as private companies acting in the energy sector: **ELECTRICA S.A., EMON ELECTRIC S.A., ENERGOBIT, EXIMPROD S.A., HIDROELECTRICA S.A., IMA-Partners, NUCLEARELECTRICA S.A, RETRASIB Sibiu, SC Monsson Invest Group, TERMoeLECTRICA S.A, TRACTEBEL Engineering, TRANSELECTRICA S.A., Bursa Romana de Marfuri S.A, OPCOM.**

Following recent discussion of yesterday 7 February at the “**Energy Roadmap 2050 Conference**” and brief information provided to you regarding the **Romanian Energy Center – CRE** starting its activity in Brussels, we would like to kindly reiterate our

Invitation to attend and provide a keynote speech at the “Romanian Energy Center - Opening of Brussels Office” Event, on 25 April 2012, in Brussels.

Please find attached *Draft Program* of the event. More information about this Romanian event will follow in the coming weeks.

The aim of CRE is: intensifying lobbying activities towards EU institutions in Brussels for the benefit of the Romanian energy companies members of CRE and representing their interest in relation to the EU institutions and other international organisations and energy related associations.

We will be delighted if you could support our launching event and provide a key note speech on this occasion.

Please accept, dear Mr. Oettinger, the assurances of our highest and most distinguished consideration

Stelian GAL

Presedinte CRE

Cc: H.E. Mihnea Ioan MOTOC, Ambassador Extraordinary and Plenipotentiary, Permanent Representative.
H.E. Mihnea CONSTANTINESCU, Ambassador at Large, Energy Security, Ministry of External Affairs.
