

# ROMANIAN ENERGY CENTER

## WP6

Mihai MACARIE  
Programs & Projects Advisor

RE-SERVE Project  
WP6

Aachen, Germany  
18-19/10/16

**RE SERVE**

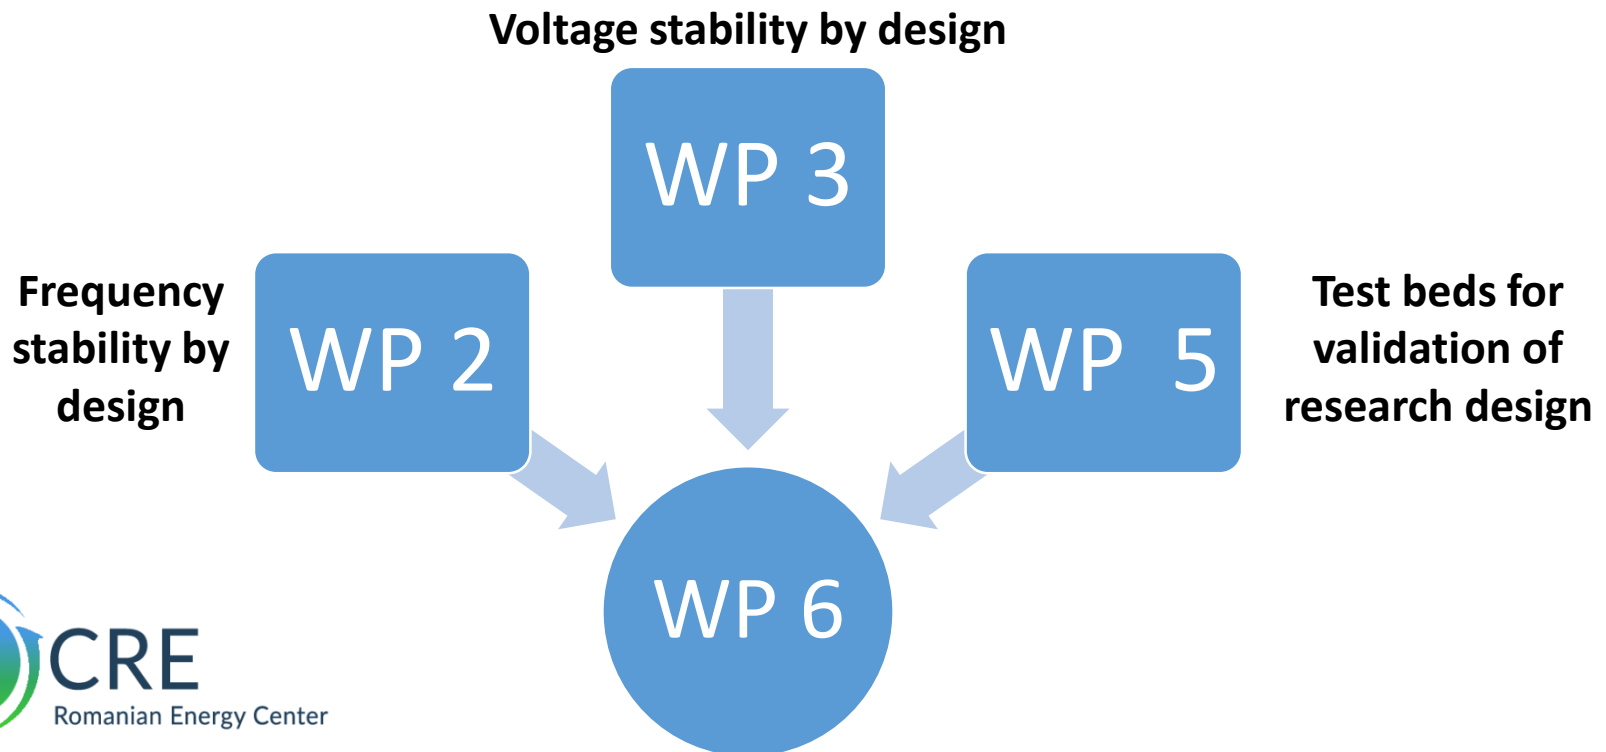

# A “RESERVED” CHALLENGE

**1 Energy Union,  
Heterogeneous Energy Markets**

# RE-SERVE WP6

**“A Harmonized Set of Rules to Better Address Governance of Cross Border Electricity Market Flows and Transactions in Europe”**

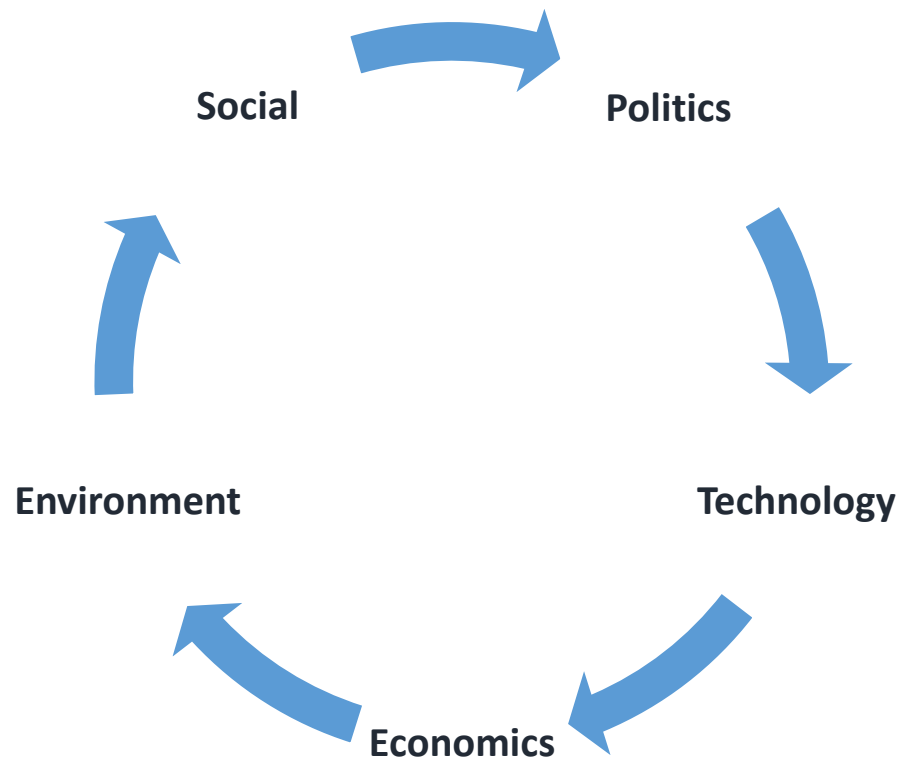

# RE-SERVE WP6

- Involve TSOs in the Central and SE Region for consultations on **NEW GRID CODES** for up to 100% RES;
- Make an inventory of all EU recent studies and projects addressing the topic of **GRID CODES**;
- Set up a Consultation Process involving all RE-SERVE partners on the **New Harmonised GRID CODES (HGC)**;
- Set up a Drafting Team formed of RE-SERVE Consortia Partners to ensure **HGC** development is in the right direction.

# RE-SERVE WP6

**Common Rules across Europe's future electricity transmission networks with an outlook to 2040 & beyond**

# THANK YOU!

**Mihai MACARIE**
