SUCCESS Irish Open Day Event

28th November 2018, Leopardstown Pavilion, Dublin

CRE MEMBERS ADVANTAGES BY PARTICIPATING IN EUROPEAN PROJECTS

- **New Products and Services Creation** within RDI Projects to help / expand the company's core business → Marketing and Commercialization
- **Attracting significant RD&I funding** that can support the work of an extensive range of departments and internal staff
- **Development of a RD&I Department** and formation of a team of RD&I staff → benefit for RD&I incentives (tax reductions)
- **Developing a Database of Collaborators** - External Partners, with potential benefits in current and future work
- **Increasing presence in European RD&I Consortia**, which may result in International Partnerships and Collaborations
- **Access to Information and Openness** for cutting-edge technologies and innovative concepts at European level

Renewables in a
Stable Electric Grid
